REPORT

OF THE

ALBERTA LIQUOR CONTROL BOARD

INTRODUCTION

The Board is presenting herein its Eighth Annual Report, covering its operations during the period from the 1st April, 1931, to the 31st March, 1932.

BEERS SOLD IN ALBERTA

All beers offered for sale in this Province have been subjected to frequent tests by the Provincial Analyst as to purity and alcoholic content, and his reports signify that the products have continued to meet the tests to which they have been exposed.

Beers and ales imported into Alberta by the Board are available at all Government Liquor Stores and on licensed premises.

PURCHASES OF LIQUOR

All purchases have been made direct from the shippers and the savings thereby effected appear in the financial statements under "Cost of Goods Sold."

BREWERS

A list of the brewers licensed to manufacture malt liquors in the Province of Alberta will be found in Appendix "C."

HOTELS

Beer licenses issued during the year totalled 381, of which number 9 were in respect to premises sold, leaving 372 licenses only actually in operation at any one time.

Ten licenses suffered suspension during the year. Details of licenses issued and of any disciplinary action in respect thereto by the Board will be found in Appendix "C."

The Officers of the Alberta Hotel Association have continued to co-operate with the Board to the fullest extent, and it is to the credit of the large majority of licensees that they have maintained a high standard of comfort in their premises notwithstanding that a great many hotel proprietors have ended the year with a financial deficit.

CLUBS AND CANTEENS

Licenses have been issued to 48 Clubs and to 12 Canteens during the calendar year ending 31st December, 1931.

One Club License was suspended for three weeks owing to the unsatisfactory manner in which the premises were being conducted.

CONFISCATED LIQUOR

Appendix "D" will show the manner in which liquor ordered confiscated by the Courts has been dealt with.

The same scrupulous care as heretofore has been exercised in dealing with liquor which reaches the Board in this way, and only when the genuineness of the liquor is beyond possible dispute is authority obtained from the Attorney General to take it into stock.

If there appears to be the slightest reason whereby liquor seized and confiscated should not be placed in the Government Liquor Stores for sale, it is destroyed under authority from the Attorney General.

LAW ENFORCEMENT

The special branch of Law Enforcement Officers previously maintained by the Board was disbanded as at the 15th September, 1931, when the full responsibility for enforcing the liquor laws was assumed by the Alberta Provincial Police and Municipal Police.

In view of this change in policy the detailed statements which have on former occasions appeared in the reports of this Board, are not incorporated in this report.

STAFF

The entire staff has given splendid service and co-operation, and the Board takes very great pleasure in recording this appreciatory comment.

GENERAL REMARKS

Three local option plebiscites have been held during the year, at a total cost of \$140.05.

The sum of \$127,694 was realized from the sale of permits.

340 permits were cancelled; of this number 167 were held by persons interdicted, whose permits are cancelled automatically as soon as the interdiction is placed.

The names of 513 persons were placed on the list of interdicts during the year, and during the same period there were 483 revocations of previous orders.

Taxes paid to the Federal Government by the Board and the Brewers of Alberta exceeded \$1,845,000.

Shipments by express to permit holders totalled 20,322 packages, at a cost to the Board for transportation of \$8,397.83.

To points at which the Express Companies do not maintain an agent 1,288 packages were forwarded from the warehouses at Calgary or Edmonton, at a cost of \$1,056.35 for postage.

The following statement shows a comparison on the basis of Imperial gallons of the percentage of sales of each product to total sales:

	Sales in Gallons	Percentage to Total Sales
Beer, Ale and Stout	2,861,000	91.82
Wines	143,600	4.61
Spirituous Liquors (other than alcohol)	109,300	3.51
Alcohol (including sales to Hospitals, Druggists, Manufacturers, etc.)	1,990	.06
		<hr/> 100%

Calculations based on the amount of gallonage tax collected by the Board would indicate that the Brewers of Alberta have disposed of, through Distributors Limited and the Board, approximately 2,844,000 gallons of malt liquors during the fiscal year.

The brewers also exported to other Provinces some 40,000 gallons. Such exports are not subject to gallonage tax in this Province.

The Board has continued to enjoy the support of the public in general, for which it takes pleasure in voicing its appreciation.

All of which is respectfully submitted.

R. J. DINNING,

Chairman.

B. GUTHRIE,
for Chief Accountant.

R. J. DINNING,
Chairman.

Edmonton, Alberta, August 2, 1932.

I have audited the books and accounts of the Alberta Liquor Control Board for the year ended March 31, 1932, and find that the above Balance Sheet as at that date, and the accompanying Profit and Loss Account, are in accordance therewith.

Stocks of liquor and beer in warehouses and stores at March 31, 1932, were valued at duty paid cost. To provide for losses due to exchange fluctuations, a reserve of \$26,678.43 has been set up.

Subject to the foregoing remarks, I certify that, in my opinion, the above Balance Sheet is properly drawn up so as to show the financial position of the Alberta Liquor Control Board as at March 31, 1932, and the annexed Profit and Loss Account states the result of operations for the year ended at that date.

All my requirements as Auditor were complied with.

JAMES C. THOMPSON, C.A.,
Provincial Auditor.
